Planning no.  
2016/1093/P.

Flat 6.

Grays Court-

Grays Inn Rd.

May 21<sup>st</sup> 2016.

Dear Sir, I am writing to strongly object to the above planning application.

We were surprised that there had been no consultation about this. We have several objections to this development.

1. There are too many large windows with direct views onto our property and facing our balconies.

2. Is this closer to our property contra to Camden's 18m distance rule?

3. We have worries about increased traffic as a result of this development.

4. It appears there will be an air-conditioner on the roof which will be unsightly and noisy.

5. We have worries about an loss of privacy if there is a roof garden.

I ask you to think very carefully about this application to which we strongly object.
