Your comments on the planning application

This build will impact badly on all the rear facing occupants of Gray's Court.

It will not comply with Camden Planning Guidance, 18 meters to prevent overlooking from opposing properties.

There will be a heavy sense of enclosure, bulking, mass and a creeping envelopment of their living space.

There will be significant loss of light for Flat 2, Flat4 and Flat 6.

other issues

-Loss of privacy

-Light pollution from windows at night

-Noise from users- this has been a commercial site and it is proposed to have 7 apartments - this will cause much noise nuisance

Also note that the over all height is being taken from other previously awarded applications but is not being applied correctly.
