2016/2027/P	Richenda Walford for BCAAC	1 Crestfield Street WC1H 8AT WC1H 8AT WC1H 8AT	02/06/2016 12:02:23	OBJ	<p>From the neo-Gothic pub at the southern end up to and including these 3 (50-52) buildings – this is a good, varied run of buildings. Different styles with a varying roof line, all closely modulated. The Art Deco number 49 in particular is very nicely set off by its two lower, almost symmetrical, neighbours. The proposal would ruin this balance. The Art Deco would be lost up against its bigger 50-51. 52 would be the tallest building in the elevation, looking inelegantly tall and thin.</p> <p>The cycle store in the basement is ‘greenwash’ unless a lift is provided. The site currently has some cycle parking on the ground floor in the vehicle entrance area. Just leave it there, or further back.</p>
