2016/2175/P	Sarah Walker	55a Brecknock Road Tufnell Park London N7 0BX	04/06/2016 16:59:27	COMMNT	I am concerned about the application for a basement to the side of the dwelling with a two story extension above it. My concerns relate to the two story extension which by the looks of the application will block out light and impose on the existing buildings 55 and 57 Brecknock Road. The extension will also reduce existing space which will enclose on 55 Brecknock Road. I am extremely concerned by the two storey extension and would advise this is limited to one storey only so that all can appreciate the light and space of the neighbourhood.
