2016/2413/P	saine philippe richard	26 rochester square	03/06/2016 12:20:44	COMMNT	Am living just next to the 25 Rochester Square and I need to say the noise of the builders is constant , on top of that the new owner of the maisonette located 25 rochester square decide to put the air conditioning system , it will provide a lot on noise and it's already a mess since she is here...this beautiful victorian house will look like an horrible office building now .
