2016/2762/P	Mark McCarthy	5 Rochester Terrace	04/06/2016 16:09:42	COMMNT	<p>The proposed extension will provide a larger ground-level flat. The changes are modest and appear fit for purpose.</p> <p>The new back windows with panes rather than full-width glass are preferable for this period property: the frame should be wood.</p> <p>Detail should be given to the proportion of garden lost by the proposal.</p>
