8 June 2016

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

Flat A
95 York Way
London
N7 9QF

Proposal: Replacement of single glazed timber sash window at front ground floor level with new double glazed timber sash window.

Drawing Nos: Site location plan; Site plan; unnumbered existing and proposed elevation drawings; unnumbered existing window section; and proposed window sections (ref. Everest Ltd, pages 15 & 16, March 2015).

The Council has considered your application and decided to grant permission subject to the following conditions:

Conditions and Reasons:

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 (Securing high quality design) and DP25 (Conserving Camden's heritage) of the London Borough of Camden Local Development Framework Development Policies 2010.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Site location plan; Site plan; unnumbered existing and proposed elevation drawings; unnumbered existing window section; and proposed window sections (ref. Everest Ltd, pages 15 & 16, March 2015).

Reason: For the avoidance of doubt and in the interest of proper planning.

Informatives:

- 1 Reasons for granting permission:

The proposals seek to replace one single-glazed, white timber sash window at front ground floor level with a new double-glazed, white timber sash window. The proposed window would match the existing window in terms of materials, frame size, design and opening method, and as such, is considered not to alter the character or appearance of the building or detract from the wider Camden Square Conservation Area and would be acceptable.

There are no amenity concerns as a result of this proposal in terms of loss of privacy or loss of light as the proposed window will replace an existing window which faces a main road on York Way.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 (Managing the impact of growth and development) and CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy 2010; and policies DP24 (Securing high quality design), DP25 (Conserving Camden's heritage), and DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies 2010, policies 7.4,

7.6 and 7.8 of the London Plan 2016 and paragraphs 14, 17, 56 -67, 126 -141 of the National Planning Policy Framework 2012.

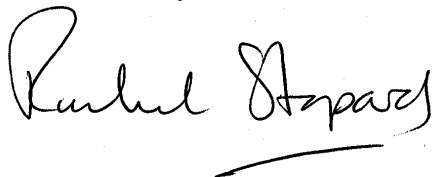

- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
