2016/2189/P	SUSAN LATIMER	FLAT 2 32 HEATH DRIVE NW3 7SB	08/06/2016 12:22:30	COMNOT	I am a very concerned neighbour. Firstly 31 Heath Drive wanted basement done & to my knowledge no party wall agreement was entered into; now they want to amalgamate 2 flats for which they say no party wall agreement is needed. I imagine one could be done without the other to create enough extra space for the family. Are they intending to go ahead with both projects as the disruption , noise would be terrible , but more importantly , it might produce damage to our property.I thought they told one of my immediate neighbours that they wouldn't be going ahead with the basement conversion ,; if that's the case , how can we be re-assured that it won't be done?
