2016/2472/P	Jamie Bragginton	73 Camelot House Camden Park Road NW1 9AS NW1 9AS NW1 9AS	08/06/2016 13:56:22 APP		Although I understand the need to make these improvements the affects it will have on us will dramatically reduce the quality of our lives. My wife and I both work nights and lose about 15 hours sleep a week currently due to the screaming noises from the school, music lessons outside, especially drumming and with the weekend activity its making us really sick. Twice when road repairs or planned works have been done in the summer we had to move out for weeks at a time getting into debt in the process on short term rentals and forsaking a holiday to cope. We are currently on the waiting list to move to bigger accommodation but we could be years away if ever successful. We really don't have the funds to move out again. Any advice would be wellcome
