2016/0843/P	Craig Duncan	74 Durdans House Royal College Street London NW1 9RD	08/06/2016 10:27:11	COMMEM AIL	I would question this development as all we are seeing being built recently in this area are non affordable housing leading to the gentrification of Camden and Kentish Town and the loss of what made this area special. With Camden as a Labour Council and London finally having a Labour Mayor, it is the planning department's social and moral duty to reverse this downward slide. Unless these units are to be properly affordable housing (not just by this government's out of touch terminology) then I have strong moral and social objections against this proposal.
