Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted and Warning of Enforcement Action

Address:
1B Tasker Road
London
NW3 2YR

Proposal:
Replacement of upvc framed windows at front 1st floor level with timber framed double glazed sash windows.
Drawing Nos: Site location plan; (TR/PL/-)01, 02, 03, 04.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of one year from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise

specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 (Securing high quality design) and DP25 (Conserving Camden's heritage) of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Site location plan; (TR/PL/-)01, 02, 03, 04.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission:

The proposals seek to replace unauthorised upvc framed windows at front 1st floor level that are the subject of an enforcement investigation and notice (ref. EN12/0163) with timber framed double glazed sash windows that will exactly match the existing windows immediately above them at 2nd floor level in terms of materials, frame size, design and proportions. It is considered that the replacement timber framed windows will improve the character and appearance of the building and the wider conservation area, and as such, will be acceptable.

In order to ensure that the approved replacement windows are implemented and completed in a timely fashion and in compliance with the requirements of the enforcement notice (ref. EN12/0163), thereby addressing the breach of planning control, a condition is recommended that limits the implementation period to 1 year.

There are no amenity concerns as a result of this proposal in terms of loss of privacy or loss of light as the proposed windows will replace existing windows.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 (Managing the impact of growth and development) and CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy 2010; and policies DP24 (Securing high quality design), DP25 (Conserving Camden's heritage), and DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of

Camden Local Development Framework Development Policies 2010, policy 7.4, 7.6 and 7.8 of the London Plan 2016 and paragraphs 14, 17, 56 -67, 126 -141 of the National Planning Policy Framework 2012.

2 ENFORCEMENT ACTION

You are advised that failure to fully complete the development hereby approved within 2 months from the date of this permission will result in prosecution action being taken for the failure to comply with the outstanding enforcement notice (ref: EN12/0163).

3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

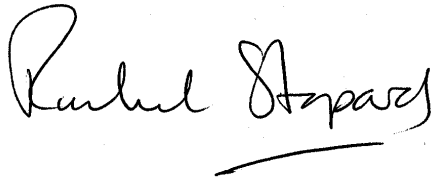

4 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
