2016/2312.P	MAITRICT	25 MC	06/06/2016 21:42:56	COMMENT	There are water tank enclosures on two buildings opposite this subject property at 63/65 Parkway and above the pub at the corner no. 57/59 Parkway. Both of these were reported to Council officers but NO ACTION has been forthcoming. There is no record of these having planning permission Since the Council seems to be happy with these then the Council should not make a fuss about Number 84, and approve this application
