2016/2499/P	Stanley Burnton	9 Kidderpore Avenue NW3 7SX	12/06/2016 10:35:40	OBJ	This would be a very large building, dominating the neighbouring houses and out of keeping with the character of this conservation area. We are concerned by the overlooking of our garden that would result. The plans specify obscure glazing on the side, but it could be replaced at any time by clear glass. The size and scale of a permitted development should be substantially smaller than the proposal.
