2016/2727/P	Frances Bentley	150 Maygrove Road	10/06/2016 15:34:46	COMMNT	<p>I wish to ask if there are any further encroachments on the Wilderness Walk (green area in front of the site), where the new road onto the site has already taken away trees and greenery facing Maygrove Road?</p> <p>It is not clear to residents what 'minor amendemnts' to the project mean? Regarding car parking, residents were assured that car parking on the site would be limited to disabled parking and access to the school site for deliveries of products. ie not car parking for the school, nor for residents of the new flats.</p> <p>thank you.</p>
