Dear Kasuni,

We are writing on behalf of the Camden Town CAAC.

We object to this application. We feel it is overdevelopment and that the proposal to create a second storey addition will create a clumsy, block-like extension. It will be an eyesore when viewed from the houses in Gloucester Crescent.

The existing rear elevation still shows the attractive, authentic windows on the second floor which will be blotted out by the proposed second floor addition. The photograph of the rear elevations of Parkway we know to be an old one.

Yours sincerely,

Gordon Macqueen & Margaret Richardson, Co-Chairs of the Camden Town CAAC
