APPLICATION REF 2016/2246/P

151-153 ST. PANCRAS WAY

Dear MR. Lester,

I live next door to the proposed work to provide an additional 3 bedroom flat. We had the same thing happen here a few years ago. It was noisy, a lot of dirt, & dust and even bits of the old chimney came down.

When I spoke to the workman building the flat to explain the problems they could not understand a word I was saying!!!.

My mother had not long passed away so understandably it was a very stressful time for me.

Since then we have had quite a few problems with the roof we have had to have scaffolding put up on several occasions because of problems with water coming in.

Thank you for allowing me to express my opinion.

Yours Faithfully

A. Martin
