

Dear Mr O'Donnell,

Regretfully we are unable to return our comments on this planning application via the portal for which you have supplied a PIN number nor via the "add comment here" general page and we wish therefore to submit them via our website as follows:

We repeat our previous objections and would add that this terrace, which is listed is one of the finest buildings in the Conservation Area.

The proposed development at the rear would adversely affect its character as a building of special architectural and historic interest.

In particular we are concerned that the terrace and canopy at the rear would be severely harmed by this proposed development.
