Dear Sirs,

14 Well Road, London NW3 1LH

With this letter, we are submitting an Application for removal or variation of a condition following grant of planning permission.

The condition we would like to vary is that of the approved plans, to substitute new drawings for drawings listed on our decision letter.

This is in order to change the material of the garage door and the fixed panels on the front and side of the garage. We wish the horizontal boarding of the Rundum garage door to carry round to the right all the way along to the front door as a simple positive design statement.

Included with this application are the original and 3 copies of:

- Completed Application for removal or variation of a condition following grant of planning permission.
- Elevations from Planning Approval 2013/3998/P.
- Proposed elevations to replace those that were listed on our Decision Notice.
- Site location plan at a scale of 1:1250.
- A cheque for £195.00

If more information is needed, please let me know.

Yours faithfully,

ELIZABETH TORNKVIST

Encl.
