2016/2507/P	Barbara Brend	148 Haverstock Hill London NW3 2AY	13/06/2016 16:38:56 INT		I think this is serious bad plan. It does not take into account the fact that 148 Haverstock Hill is listed. It would damage the street-scape for the passer-by; and would damage the fabric of 148 if abutted. 150 was originally built as a part of 148 and ought also to be listed.
