**Subject:** Objection to Planning Application No 2016/1479/P

Dear Ms Phillips and Mr Croll,

I have prepared a document with illustrations, which I wish to register as an objection to this planning application. It can be downloaded from this link: <https://we.tl/FFDUgQUYSU>

I should be grateful if you would let me know whether you are able to download it. If you have any difficulty, I can mail a printed copy, or can send it via Dropbox.

I have also registered online my interest in attending and speaking at the relevant Committee meeting.

Yours sincerely,

Colin Blakemore
