Your comments on the planning application

This Leighton Rd and my Brecknock Rd property have adjoining gardens. My main concern is the damage this project will do to my garden and in particular the trees. Quite apart from the major disruption and disturbance this will cause to the area.
I am also very against basement development as this disturbs the water table, which in this area is quite fragile. I would also point out that all the drainage and sewage goes from Brecknock Rd into the system in Leighton road under the gardens, and this would have to be taken into consideration as well. Any flooding or sewage leakage
