Dear Ms Philips,

OBJECTION RE: Application no. 2016/2200/L
Heathside School Extension 82 Heath Street London NW3 1HS

We live at 6 Mansfield Place LONDON NW3 1HS. We are writing to strongly object to the plans for the Heathside School Extension at 82 Heath Street.

We do not want the peace and quiet enjoyment of our property disrupted by the following serious issues -

1. Unacceptable Noise levels
2. Increased traffic and pollution
3. Unsafe obstructive crowds of parents and kids on the local pavements
4. After hours school activities causing further congestion, pollution and anti social noise levels

We would also like to comment that it has been noted by us and our neighbours that Heathside are inconsiderate neighbours who make no attempt to reduce their disturbance to neighbouring houses who must keep their windows closed due to noise levels emitted through Heathside's own open windows.

For these reasons we strongly object to the Heathside School Extension.

Yours sincerely,

Anna Hill & Mark Szaszy
