Dear Tania,

It's been brought to my attention that the representation below has not appeared on Camden's Public Access; please can you ensure that it is taken into consideration when determining the application?

I note that the consultation period ends tomorrow, have you received any responses from consultees and do you have any initial thoughts on the application?

Kind Regards

Matt

<i>Your comments on the planning application</i>	I am writing in support of this application which will enhance the Hampstead Conservation area. The restoration of 8 Gainsborough Gardens to its original condition as one of the complimentary yet different houses built on the Bedford Park model of the later Victorian period is to be applauded. As the neighbouring house I have a clear view of the mdoern additions to number 8 - which are also visible from Hampstead Heath - and their removal will definitely be an improvement.
