URGENT

17A Marchmont Street
WC2B 5NR

Note

Other entrance to

Almshouses is in front place -

Next door to no 8

Application Ref 2016/0093/P

Dear Hugh Mackay,

I occupy one of the Almshouses

I object to the proposed work at 8 Marchmont Place, WC2B 5LW

Objections:—

The building is already very tall - will become too tall, out of scale with the
neighbouring almshouses - Like living at the base of a cliff.

We will lose light

We will lose privacy

Plant must make noise / pollution

Yours faithfully

CBH
