Dear Sir/Madam

Planning Application Ref: 2016/2528/P

I wish to oppose the planning application
as -

1) I am the ground floor council tenant
of this property and as such have looked
after and enjoyed this garden alone
for forty years.

2) This construction is so big that
it could house several people.
It is not a shed. It has also
lots of windows.

3) I am an elderly lady and would
feel most insecure if other
people entered the garden to use
this building.

Yours sincerely,
