2016/2777/P	Caroline McNulty	28 Conley Road NW10 9PA	15/06/2016 17:58:11	SUPPRT	<p>I first saw the flats at 8 Gainsborough Gardens when the family bought it in 2006. I was totally shocked at the condition of the flats, including the basement which was very damp and mouldy and made the children ill and gave them allergies. The whole house was in very bad decorative order.</p> <p>I can say that now the house has been completely transformed so that you would never know it had ever been in that state, and I therefore support the house being turned back into one.</p> <p>The staircase had been carved up and has now been restored all the way through the house except the basement so it would be nice to do the whole thing.</p>
