2016/2767/P	Dominic John	Westbury Harvest Hill Bourne End SL8 5JJ	16/06/2016 22:40:38 INT		As a resident in this block we had been advised that an application was being made to add two balconies to the rear of the property (one of which was also due to be a fire escape). Please can you confirm there is no separate application for the balconies and fire escape changes and that it is not included in this application?
