Good morning Josleen

Further to my email below, we have had further discussion with the developer in relation to the above application.

I can confirm that provided the necessary agreements are in place with our Property Team, as stated by the developer and the dialogue with our Asset Protection Team continues as necessary, we have no objection to the proposed development.

I hope that this is useful to you and clarifies our position. If you need any further information please let me know.

Kind regards,

**Matt Leighton**
