Your comments on the planning application

We object to the application presented for building works at 23 Netherhall Gardens because the works could cause subsidence to our property in 25 Netherhall Gardens. It does not provide reasonable guarantees that the work proposed would not cause damage to our building in the form of movement.

It does not guarantee either that a tree in 23 Netherhall Gardens will not cause damage to our building in 25 Netherhall Gardens.

Planning Application Details

We have also recently been subjected to planning applications from 27 Frognal, a hotel behind us that includes substantial digging works for a basement as well as to planning applications from 26 Netherhall Gardens both of which may also cause noise and disruption.

With kind regards,

Stefan Salomon
(and Maria Dolores Tobias, wife)
