Dear sirs

Dead plum tree at 17 East Heath Road, NW3 IAL

1. I am writing for Mr & Mrs Saleh, the owners of 17 East Heath Drive, NW3 IAL. This letter is my formal notice of intent to fell a dead plum tree in the front garden of the house, made under Regulations 14 and 15 of the Town and Country Planning (Tree Preservation)(England) Regulations 2012.
2. The attached report gives more detail, including an assessment of the tree, photographs and a location plan. The tree is readily visible from the road in front of the house and is to the left of a birch growing next to the gate. It is included in the Section 211 notice to fell the birch, which should be with you shortly via the Planning Portal, but I have also sent this letter to cover the exemption.
3. The report includes a list of suggested replacements for the plum, exact species and location to be agreed.
4. I hope this is helpful but if you have any queries or wish to discuss the matter further please do not hesitate to contact me.

Yours sincerely,

Simon Pryce
