

**Existing Information** A specialist measured topographical survey has not been carried out unless commissioned separately by the client from a surveying company. Existing information within architect's drawings is based upon an architect's survey of the interior of the subject house/building. Exterior information and neighbouring buildings and their associated levels have been estimated and in certain cases information is assumed where access or a visual check has not been possible. Any critical dimensions and levels shown are to be checked on site by the contractor and to be his responsibility.
