21<sup>th</sup> June 2016

Dear Sir/Madam,

**5 The Countess Road, NW5 2NS**  
**New Dormer window on the rear and two roof lights on the front.**

We are pleased to submit an application form for the property above and to enclose the drawing register, OS Map, location plan, existing drawing and proposed drawings to support this application.

The proposal includes a new dormer window at rear and two new rooflights on front side of the existing roof. Taking into account the precedence of dormer windows and rooflights in the immediate neighbourhood we believe that the proposed new addition will be in style with existing house and shall reflect the character of the surrounding area and will comply with conservation area requirements. In view of the above I shall be grateful for the Planning consent to be granted.

Please do not hesitate to contact me for further information.

Yours sincerely.
