Dear Sirs,

Re PLANNING APPLICATION 2016/2499/P

My name is Sheila Pearl and I have lived for many years at the above address 4 Kidderpore Avenue, NW3, opposite the house which is the subject of the proposed development.

I strongly object to the development. This is historically a conservation area and this proposal is out of keeping with the Avenue. The development is much too large and will block light to the front of my house, particularly to the ground floor.

Yours sincerely,

Sheila Pearl (Mrs)
