

The Pulse (Finchley Road) Management Limited

c/o 52 Lymington Road, London NW6 1HQ.

20<sup>th</sup> June 2016

Dear Sirs,

Planning Application 2016/2910/P 317 Finchley Road.

I am writing on behalf of the 56 residents of Pulse Apartments, which is situated on the corner of Finchley Road and Lymington, to object to the above planning consent.

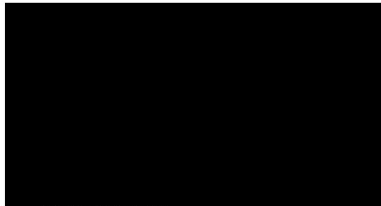

The grounds for objection are :

The height of the building which is out of context to the height of buildings on this part of Finchley Road,

So far as we can tell from the drawings the proposed façade of the building lacks any harmony with style of the adjacent buildings

It is not clear what improvements if any will be made to the “public realm” in and around the station, which is in desperate need of upgrading.

Yours faithfully,
