Dear Zenab Haji-Ismael,

As a member of the Swiss Cottage Community I am writing to ask you to consider us whilst Essential Living are asking to demolish the existing building and build their tower block now before the foundation plans have been approved. If the foundation plans are not viable and/or feasible and this could take months possibly years to find out, it would be a terrible disruption to the old people's home and the children's play areas with dust, dirt noise and heavy lorries. Please spare us from this for as long as possible.

Any new conditions that Camden would bring in to ensure that the approved building be erected immediately following demolition will not make any difference to how long it may take to approve the foundation plans.

Yours faithfully

P.S I have not received your letter of notification of this consultation. I heard about it from a neigh-
