Dear Sir,

Application Reference: 2016/2803/P - 100 Avenue Road, NW3 3HF

The farce in relation to this development enters yet another phase asking for a change in the point at which full details are submitted. I see no benefit for this except to the developers who have already totally ignored the local people to whom this development brings nothing but only value to themselves and does not benefit those already living here who have made their feelings well known. It should be refused.

Yours faithfully,

(Miss) Joan Wilson
