Your comments on the planning application

As a director of 10 Red Lion Square Residents Association I would like to make the following comments.
The extended high fencing posts and cheap looking bare bulb draped lights with no top shading will provide unacceptable light pollution for the flats on the lower floors of our block.
This type of high lighting mounted at the front of the platform is totally unnecessary for the customers as there is enough ambient light from the street lighting and the the square pig itself. It will adversely affect the amenity of Red Lion Square, one of the few open spaces in the area and

appears to be designed to shine brightly at a far distance to attract customers rather than to provide illumination for the customers.

From the plans it does not look like the dimension of the platform is being increased although the application says extension of seating area. I would oppose any extension of the existing seating area. We have a constant problem of littering (fag ends)and smoke from the platform as it is.
