2016/3123/P	Michael da Costa	2 The Old Court House NW3 7ER	28/06/2016 00:12:20	SUPPRT	As the immediate adjoining property, we have no objection to the retention of the climbing frame structure, which in the time it has been in its current position has caused no disturbance to the quiet enjoyment of our own garden. The children play as children should and do not cause any nuisance to us or any other neighbour.
