Dear Sir / Madam,

It has come to the attention of the residents of Shipton, Stonegate & Leysdown House Estate that the development being planned (Land to the East of 3 Malden Road London NW5 3HS) on the space between the Fiddlers Elbow Pub and Leysdown/Tool Hire Shop will be larger than initially thought. This is of much concern to the residents of our block as it will block the sunlight for an entire side of the building and impinge on the privacy of residents.

As such, I'd like to draw your attention to our opposition of this development. Please accept this as a formal petition and find below signatures of the residents of Shipton Stonegate & Leysdown TRA:
