Your comments on the planning application

To whom it may concern,

My partner and I would like to show our support for the planning application for work to the property of 16 and 17 Wolsey Mews of which we are currently renting.

Living in the property since September 2015, one of the biggest issues we have faced has been due to the single glazing in the ground floor bedroom. We constantly experience excessive noise issues, especially during the evenings due to the nearby location of the Oxford Pub.

Planning Application Details

Wolsey Mews is a road that many cars make use of, many people make use of walking through, and often we experience large groups of people gathering outside of our flat at all hours. Due to the single glazing we experience frequent disruptions to our sleep. My partner suffers from a heart problem which is made much worse from a lack of sleep and from the stress of constantly experiencing the excessive noise outside of our flat.

The single glazing in the bedroom has also caused other problems within our flat, such as mould growing inside the bedroom which is a health concern to both my partner and I.

We sincerely hope that you will take our comments into consideration when making your decision on this planning application. Please contact me if you would like any further information. We would also be very willing to speak at any future meetings where this application will be discussed.

Regards,

Aaron Prendergast
