Re: Planning Statement for Unit 2 Ella Mews, Cressy Road, Hampstead, London NW3 2NH

Please accept the following statement in support of our Application for the whole of Unit 2:

We are in full agreement with the following statement:

'The minicab office hereby permitted shall be used as a remote office with no customers on the premises at any time. No fares shall be booked in person, no customers shall be picked up or dropped off in the immediate vicinity of the office at any time and no taxi drivers shall visit the office for any purpose other than to undertake administrative duties'

I sincerely hope that the above now satisfactorily meets the requirement for planning consent to be granted. However, please do not hesitate to contact me if there are any further requirements.

Seyi, it has been good working with you and my most profound thanks for working with us on this application to satisfy the new requirements of TfL.

With kindest regards

Howard Goddard
