Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
67 Camden Mews
London
NW1 9BY

Proposal: Replacement of two front windows with dormer windows at roof level.

Drawing Nos: Site location plan (ref: S-01); P-01; P-02; E-01; and E-02.

The Council has considered your application and decided to grant permission subject to the following conditions:

Conditions and Reasons:

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans; Site location plan (ref: S-01); P-01; P-02; E-01; and E-02.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

Informatives:

- 1 Reasons for granting permission.

The dormer windows will be marginally larger than the existing rooflights and although they do not align with the windows below they do relate to the existing pattern on the roof and appear as separate projections.

Given the existing established set back of the roof extension where it is not widely visible in public views, the size and location of the proposed dormers would not cause harm to the character and appearance of the conservation area or neighbouring amenity in terms of light and outlook.

No comments have been received prior to coming to this decision. The site's planning history was taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24, DP25, and DP26 of the London Borough of Camden Local Development Framework Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of The London Plan 2016 and paragraphs 14, 17, 56-68, and 126-141 of the National Planning Policy Framework.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public
