Reverend Alistair Tresidder
St Luke's Vicarage
Kidderpore Avenue
London NW3 7SU

Our Ref: ML/cb

28th April 2016

Dear Reverend Tresidder

Mount Anvil Ltd: Kidderpore Avenue Development & St Luke's Vicarage

I refer to the letter dated 8th April 2016 from Mari Chisholm and confirm that I have been asked by Mount Anvil Ltd to contact neighbours of the development for the purpose of arranging access to prepare written and photographic schedules of condition of their properties.

I would be grateful if you were to advise me of some possible times for my visit. It would be helpful if I was able to have access to all parts of the interior and exterior of your property; it is likely that my visit will take about four hours.

In addition, Mount Anvil's monitoring surveyors seek your agreement to their installing a discreet optical reflector fixed by adhesive to the side of your building facing the development site. The reflector would be removed on completion of the works and any damage made good.

Should you have any queries or wish to discuss any aspect of this procedure, please do not hesitate to contact me.

Yours sincerely

Martin Lewy
