

**Affidavit**

I, the undersigned, can confirm that I own both 2 and 3 Wildwood Grove, NW3 7HU and that these two properties have been adjoined both internally and externally since March 2010, following my purchase of 3 Wildwood Grove on 15 September 2009.

These properties were adjoined by the insertion of two internal access doors linking the two properties together. These properties also have shared garden access at the rear leading on to Hampstead Way. The garden also features a shared staircase leading up to the first floor veranda of the properties.

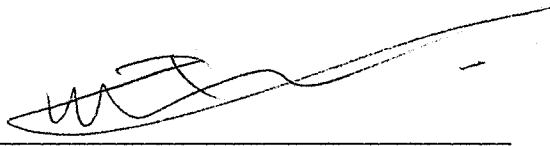

These properties were adjoined to provide additional bedrooms for my family and to create space for my elderly mother, Mrs Jill Adams, whom requires 24 / 7 care and support.

2-3 Wildwood Grove acts as my family's principle, primary residence.
