Page 1 of 1

Dear Charles,

RE: Athlone House, Hampstead Lane, London, N64RU
Planning Portal Ref: PP-05245042

Following the submission of an Application for Planning Permission and for relevant demolition of an unlisted building in a conservation area, online via the planning portal on the 27/06/2016 (ref: PP-05245042), please find enclosed a CD with the following documents on:

- Full drawing pack – SHH Architecture
- Arboricultural Implications Assessment – Catherine Bickmore Associates Ltd;
- Design and Access Statement – SHH Architecture
- Planning Statement - Savills
- Heritage Statement – Dr Mervyn Miller
- Historic Landscape Statement – Catherine Bickmore Associates Ltd
- Sustainability and Energy Statement – Slender Winter Partnership
- Basement Impact Assessment – Geotechnical and Environmental Associates
- Flood Risk Assessment – Price and Myers
- Landscape and Visual Impact Assessment – JFA Environmental Planning
- Transport Statement – Motion
- Construction Management Plan – Walter Lily
- Acoustic Report – Hann Tucker

The requisite fee of £1,155.00 has been included as a cheque, payable to the London Borough of Camden.

I trust that the enclosed is sufficient for you to register the application. However, should you require any additional information, please do not hesitate to contact me on the details at the head of this letter or Dominic O'Loughlen of Savills on 02033208263.

Yours sincerely

SHH Architects and Design Consultants

Henry Smith
 BSc(Hons), BArch, ADPPA RIBA NW
 Architect
