

Ordnance Survey Licence No. AL100036425

## KEY

Ecological enhancements are shown in approximate/indicative locations on the landscape plan

A wildlife construction management plan and a landscape conservation management plan (subject to condition) would ensure implementation of mitigation measures prior to and during restoration/construction works, and to ensure long-term maintenance/management of habitats

Based on 'Hard and soft landscape proposals' drawing 9135/01 dated 16/06/16

All locations and areas approximate

Athlone House, Hampstead

Ecological enhancements
