**Project:**

## Athlone House

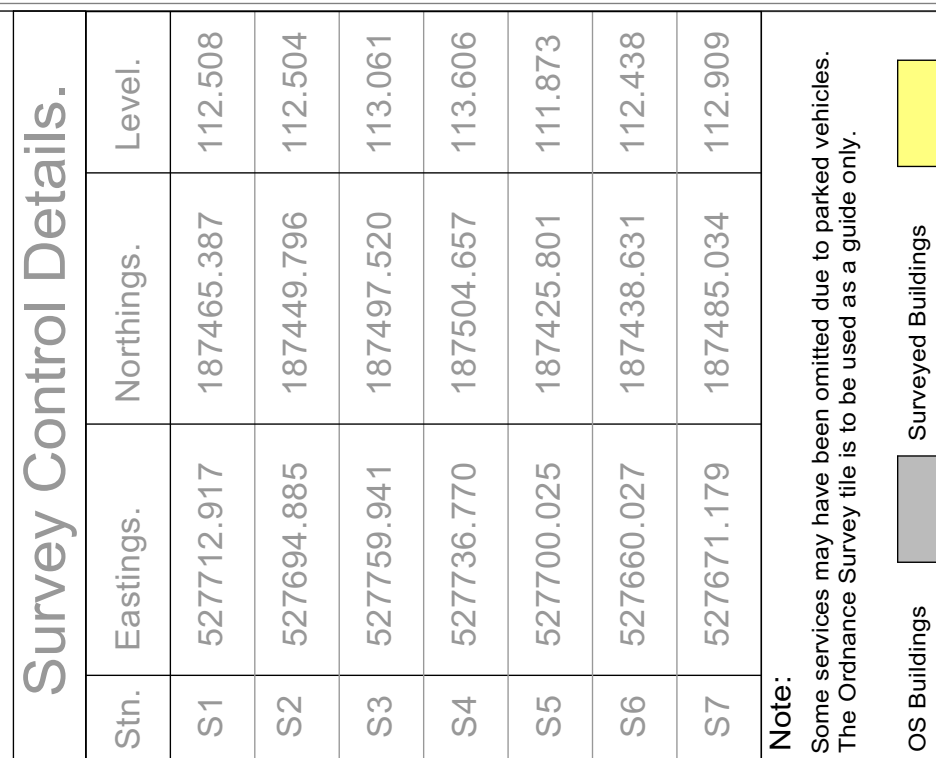

Hampstead Lane

Client: Private

Drawing Title:  
300 Sections

## EE Proposed - Cross Section

This survey has been orientated to the Ordnance Survey National Grid (OSNG) and the Global Positioning System (GPS) and the O.S. Active Network (OS Net). A true OSGB36 coordinate has been established near to the site centre via a transformation using the OSTNG2 and OSGAM02 transformation models. The coordinates at this point are a further one or two OSGB36 points established to create a true O.S. bearing for global orientation.

No scale factor has been applied to the survey therefore the coordinates shown are arbitrary & not true O.S. coordinates which have a scale factor applied.

Please refer to survey station Tablelet to enable establishment
