The LPA changed the description of the development on validation of the application. The revised wording is below, which appears on the householder planning decision notice.

### F. REASON FOR THE APPEAL

The reason for the appeal is that the LPA has;

1. Refused planning permission.
2. Refused permission to vary a condition(s).
3. Refused prior approval of permitted development rights.

### G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes  No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes  No

Please explain.

Given the Council's Reasons for Refusal, it will be particularly important for the Inspector to conduct a site visit to establish the site specific situation and to understand the appearance and relationship between the No. 8 Prince Albert Road and neighbouring properties with similar side extensions. In particular, despite the Council indicating (in Reason for Refusal 1) that the proposed side extension would, by reason of its scale and siting be detrimental to the character and appearance of the host building and the distinctive gaps between neighbouring villas, the side extension has been designed to match the scale and siting of the existing extension at adjacent No. 9 (and No. 7). In addition, the 'incongruous additions' indicated by Reason for Refusal 2, are again in keeping with such alterations at other nearby properties, including at neighbouring Nos. 6 and 7.
