2016/3262/P	Richard Arthur	11d Highgate West Hill	04/07/2016 11:42:49 INT		My freehold property adjoins No. 11 and is part of the same overall structure separated by party walls and party floor/ceilings. I have no objection on planning grounds but will expect a structural surveyor's confirmation that there is no risk to my property arising and also a party wall agreement.
