Dear Sir/ Madam,

RE: 2 WILLOUGHBY ROAD, NW3 - Application Ref: 2016/2224/P

This is a Non-material Amendment application with regards to planning permission reference 2016/2224/P. It concerns a change of material of one of the doors at lower ground level from painted timber to painted metal; the colour of which will stay the same.

This change will result in doors that match the materiality and aesthetic of fenestration to the right hand side, helping to achieve a harmonious facade. The change will also allow a clear distinction between the historic fabric and the new proposal.

I look forward to hearing from the Case Officer on this matter.

Yours sincerely,

HANA OTTEN
